

Interested parents and community members are invited to attend...

The Howard County Gifted and Talented Education Program Parent Academy

Thursday, February 5, 2015
7:00 p.m. – 8:30 p.m.

Building Resiliency in Advanced-Level Learners

Dr. Angela Housand
Gifted Program Coordinator, University of North Carolina Wilmington

Attaining success requires resiliency in order to overcome challenges along the way. Yet many advanced learners expect to “get the right answer” on their first attempt and once faced with truly challenging situations, give up before trying. This session provides parents with strategies to support high potential youth as they engage in the struggles that lead to meaningful SUCCESS.

Atholton High School Auditorium
6520 Freetown Road
Columbia, MD 21044
